Dear Parent/Guardian,

New Jersey sports leagues have varying regulations regarding years of eligibility playing Varsity sports. If your middle school (JV) athlete is presented with an opportunity to play up on a Varsity team, it may affect their eligibility for future years in other sport leagues. We are not currently associated with any of the following leagues, so they can play up for as many years as the opportunity presents itself.

Should the student transfer to a school that is a member of the New Jersey State Interscholastic Athletic Association (NJSIAA), the student will only be able to participate in 3 additional years of Varsity athletic competition. The NJSIAA ruling allows four consecutive years of varsity competition. The Tri-State Christian Athletic Conference will allow a students to participate on the Varsity sports team starting in 7th/8th grade and continue through 4 years of high school or until the student reaches the age of 20. This means the student is eligible to play on a Varsity sports team for 6 years total.

By signing below, you signify that you understand that your student is starting their varsity eligibility timetable and no penalty will occur should the student remain at Ambassador Christian Academy throughout their High School career. If at some point in the future a transfer is made to an NJSIAA school (public), restrictions may apply on how many years they could participate.
